DETAILED ACTION

Election/Restrictions

1. Applicant is reminded that a species election remains in effect. Applicant elected TMPD as the solvent and di- and triesterquats as the softeners for initial search and examination. As the generic claim was not found to be allowable, search and examination was not extended beyond these species.

Claim Rejections - 35 USC § 103

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
3. Claims 31-37 and 40-42 are rejected under 35 U.S.C. 103(a) as being unpatentable over Keys, US 5,674,832. Reasons are of record in the previous office action.

Allowable Subject Matter

4. Claims 38, 39 and 43 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims, and provided that the claims were amended to recite the presence of the elected solvent and fabric softener. *No claims can pass to issue until all non-elected subject matter has been deleted from the claims.* Reasons are of record in the previous office action.

Response to Arguments

5. Applicant's lack of arguments in response to the previous office action creates a presumption that applicant concedes the propriety of the rejection.

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
